Request - in the circumstances explained - sanction to grant 3 months' extension of leave to Mr S Sreenivasa Rao, Dairy Inspr from 21st Dec 1942 as a special case - the same being treated as furlough on full pay under Art. 209 M S R

Dated ... 3 ... 43
No ... 785 ...

1) Noted with a doubt as to something the order may perhaps come into financial concurrence

I May 29/6 29/6 of the pages of the Dairy Inspector is made subject out of the funds of the Municipal bodies under which he has served - not out of State funds The economy order has not been made applicable to local bodies In view of this fact, the leave could have been sanctioned by the Director of Public Health himself

Since he has sent up the proposal to the Govt, the recommendation of the Dir of P-H may be sanctioned as a special case
